ヴェネツィアンガラス

VIDRO VENEZIANO

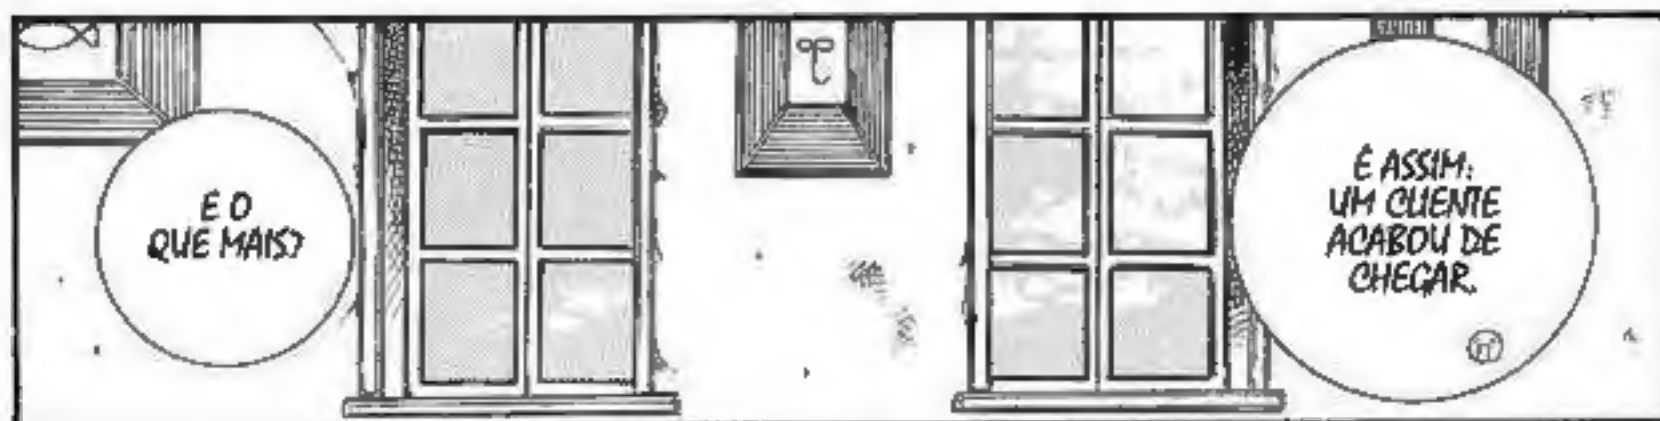

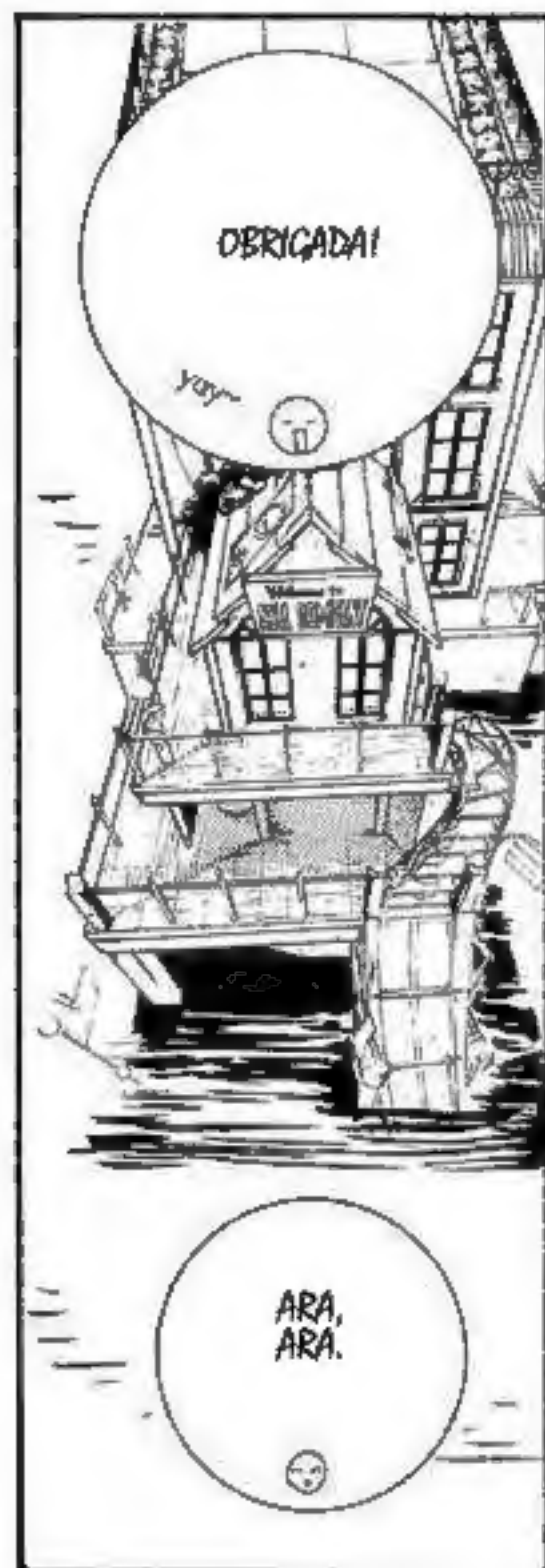

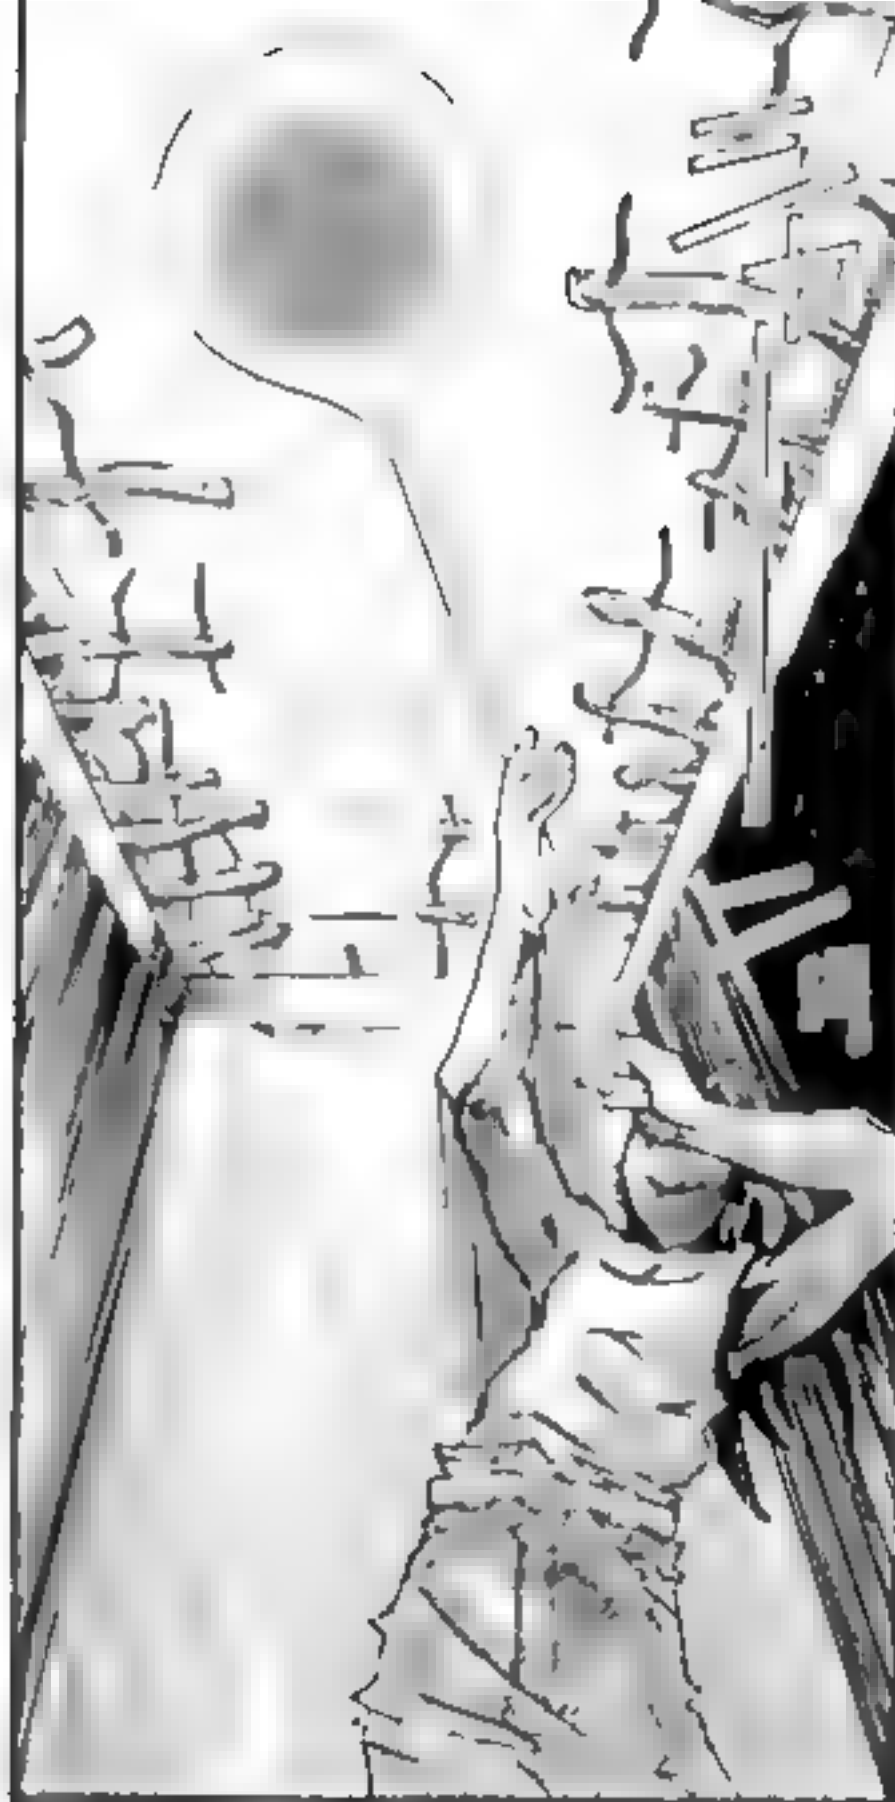

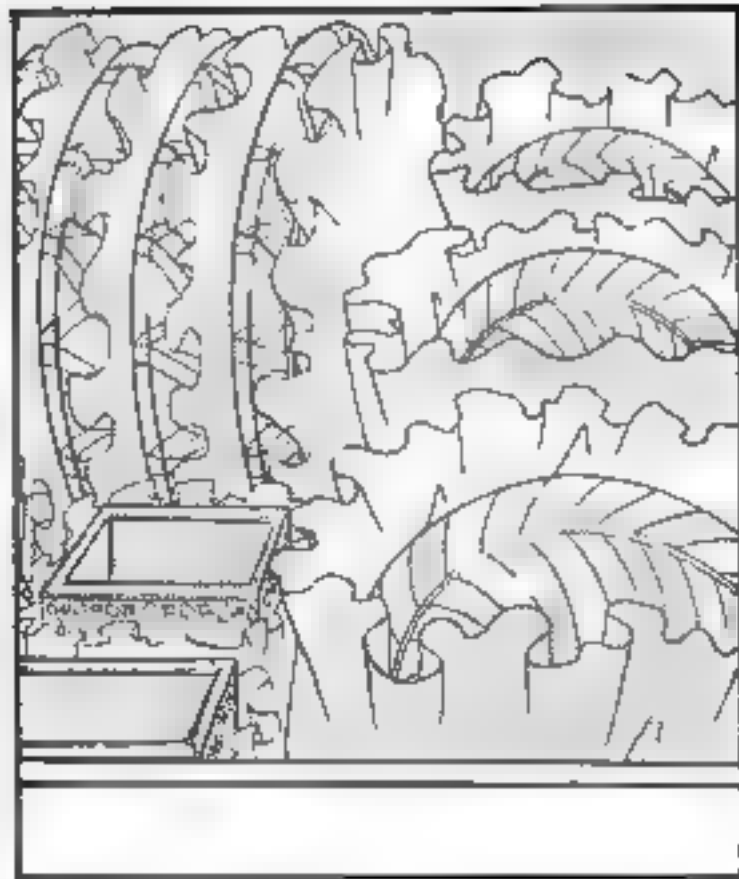

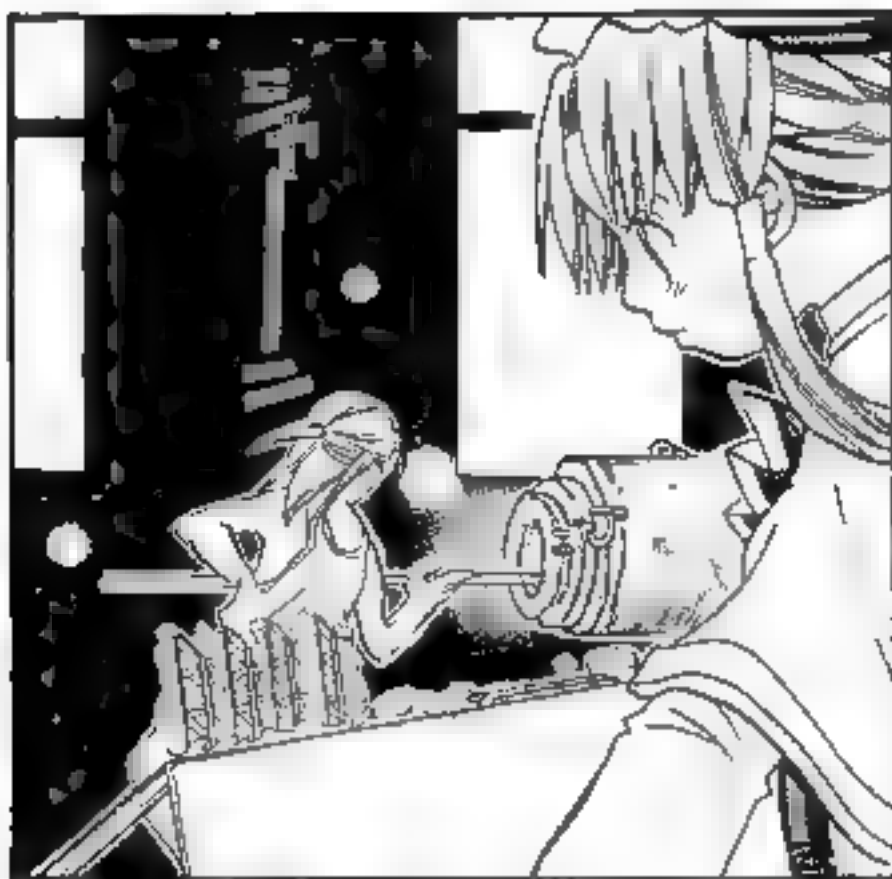

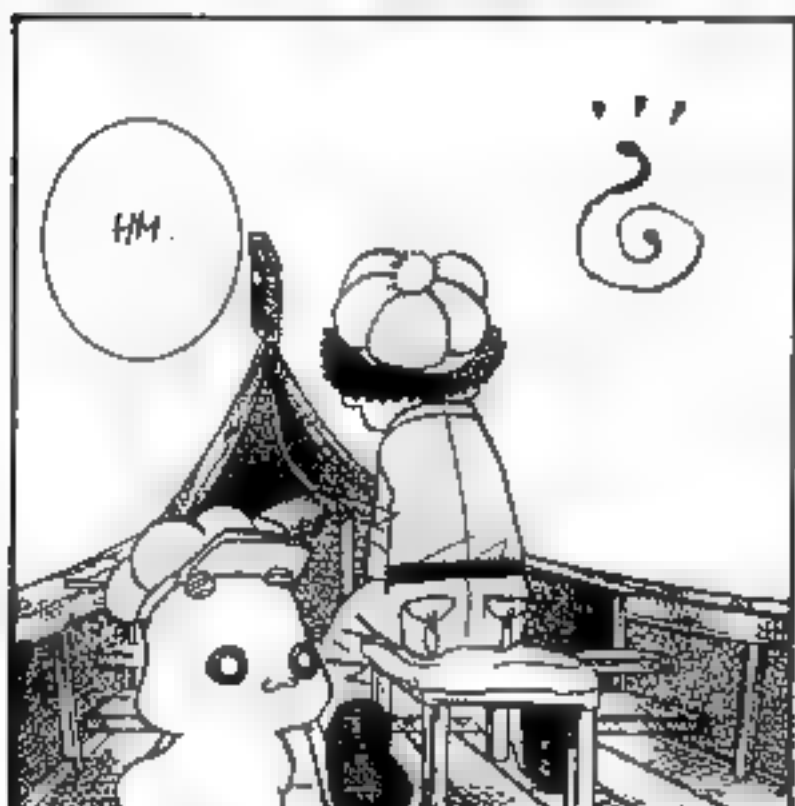

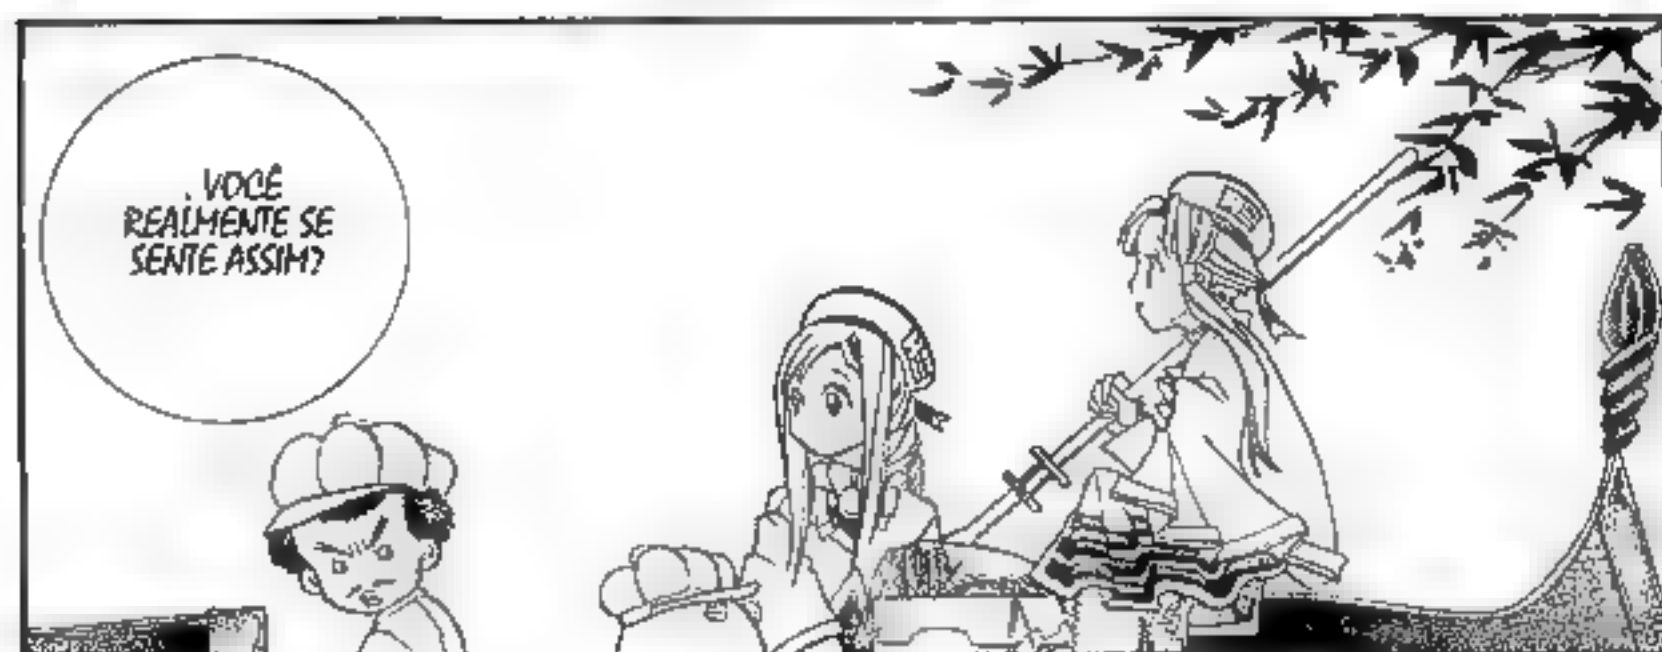

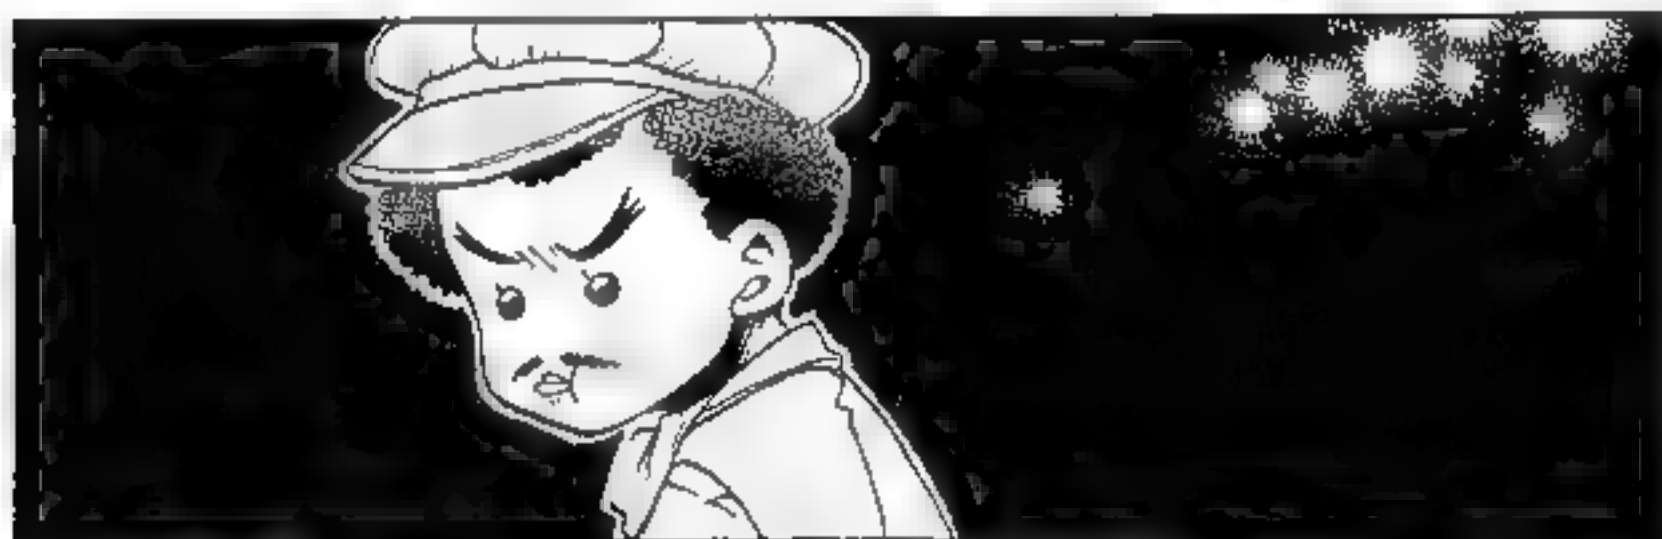

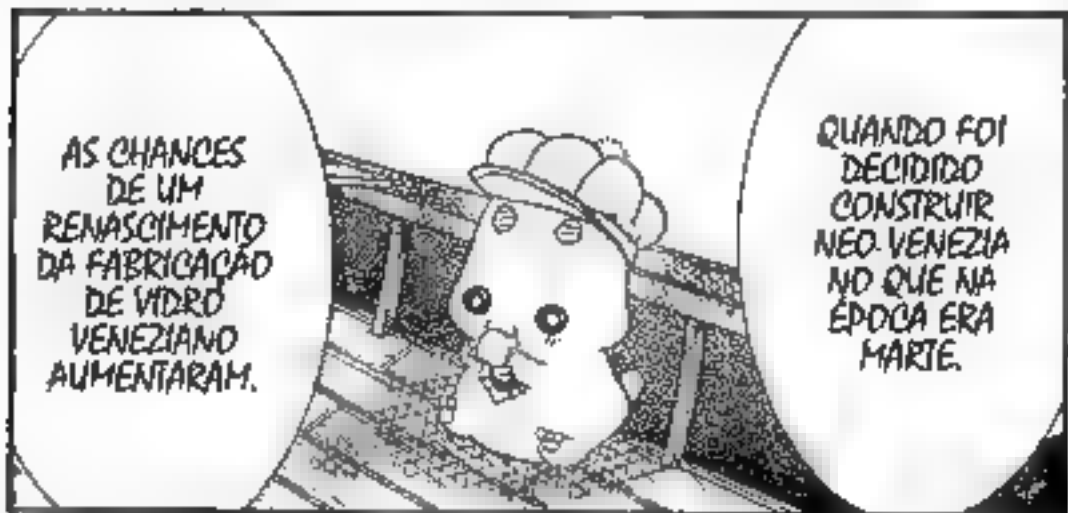

A AVANÇADA
TECNOLOGIA
VENEZIANA DE
FABRICAÇÃO DE
VIDRO FOI
PERDIDA
GRACAS A ISSO.

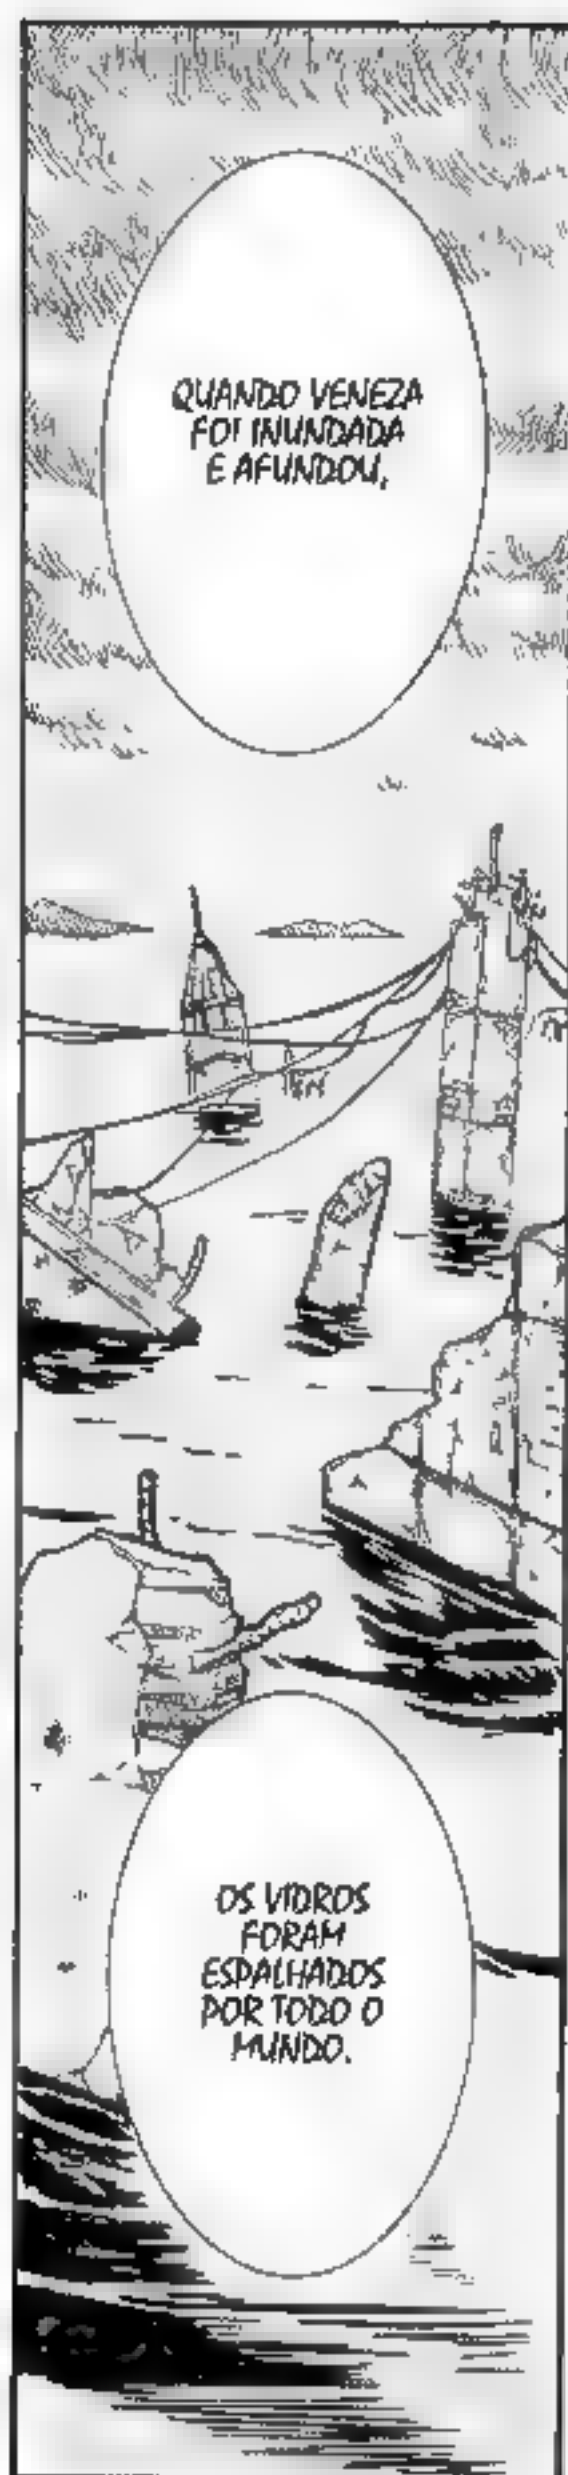

AS CHANCES
DE UM
RENASCIMENTO
DA FABRICAÇÃO
DE VIDRO
VENEZIANO
AUMENTARAM.

QUANDO FOI
DECIDIDO
CONSTRUIR
NEO VENEZIA
NO QUE NA
ÉPOCA ERA
MARTE.

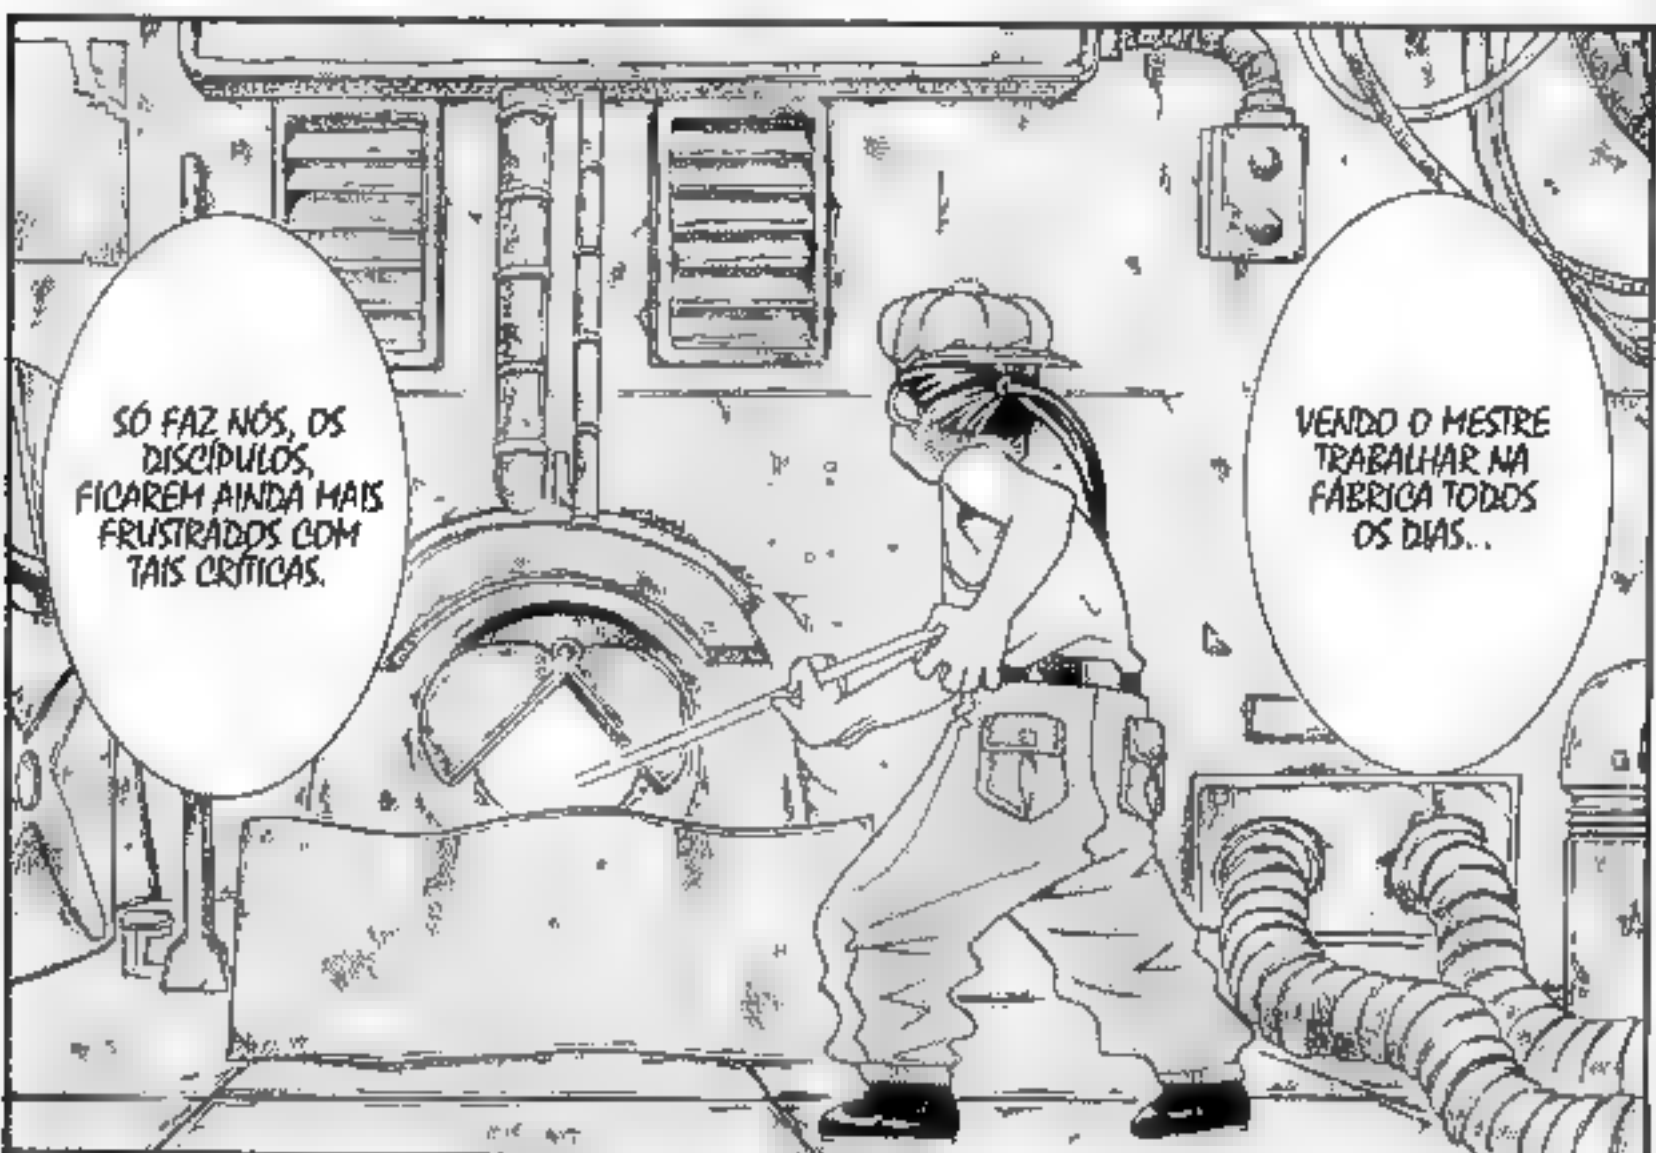

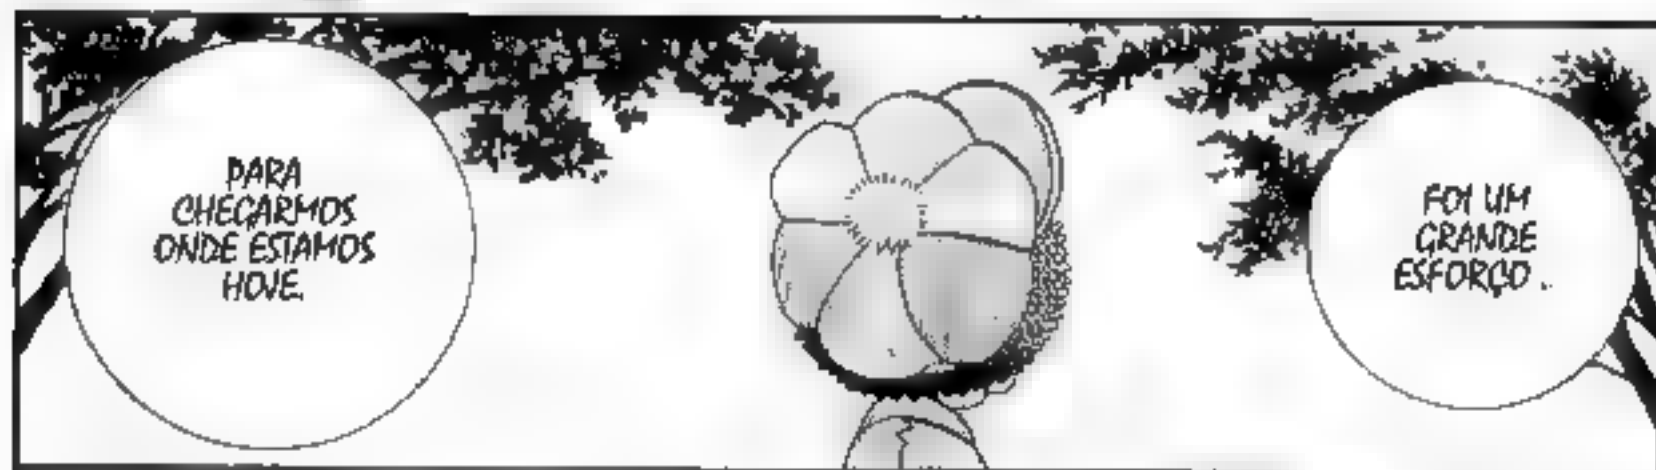

DESDE A COLETA
DE INFORMAÇÕES
ATÉ A BUSCA DOS
DESCENDENTES
DOS FABRICANTES
DE VIDRO

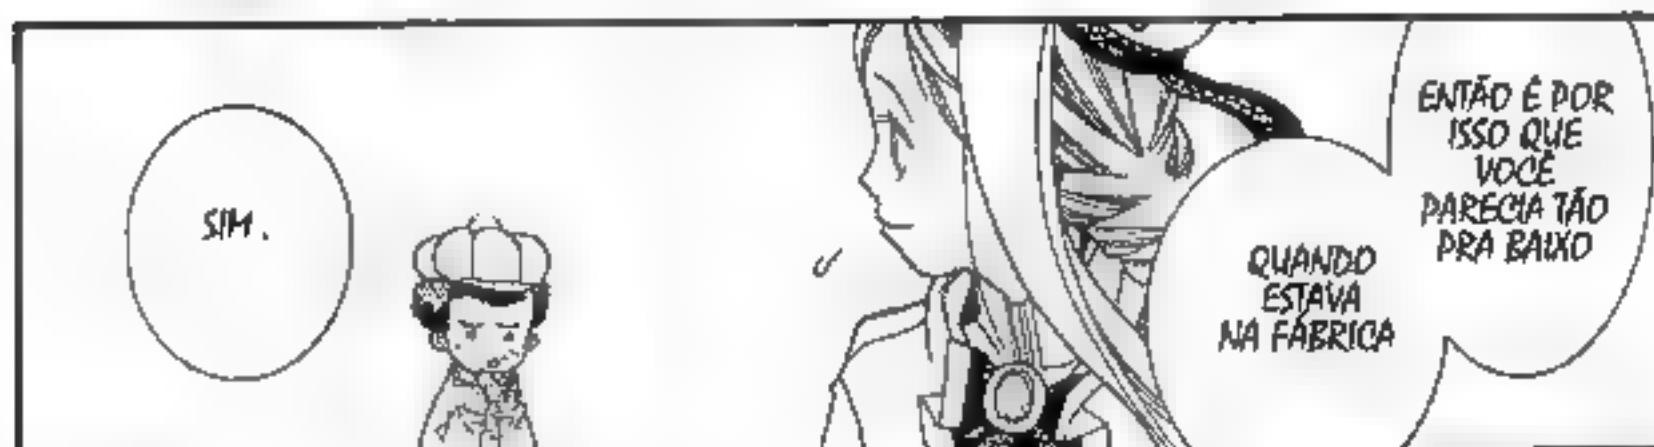

TUDO ISSO TEVE
QUE SER FEITO
A PARTIR
DO ZERO.

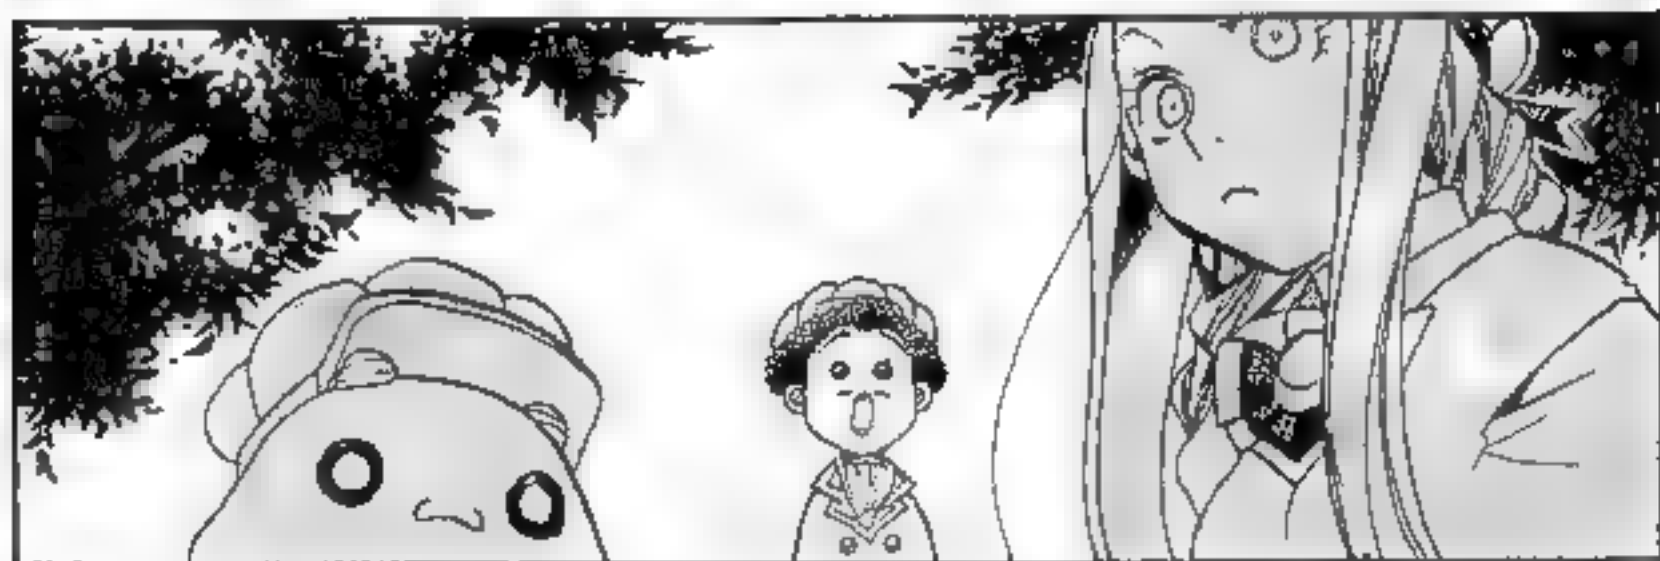

QUANDO VENEZA
FOI INUNDADA
E AFUNDOU,

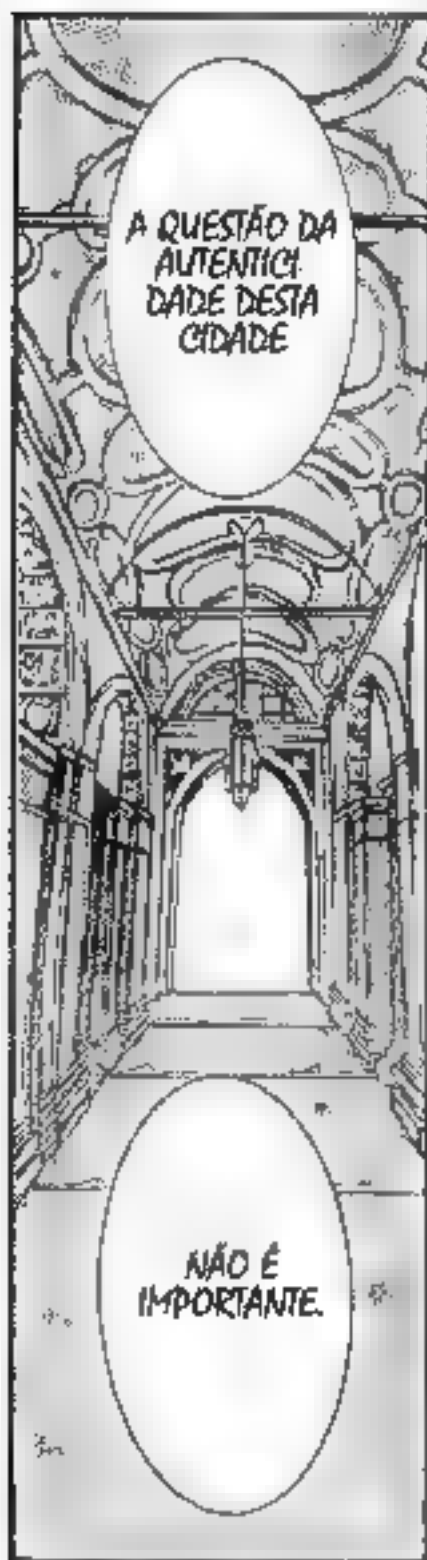

OS VIDROS
FORAM
ESPALHADOS
POR TODO O
MUNDO.

MINHA
VIDA EM
NEO-VENEZA
É REAL.

EU AMO
NEO-VENEZA.

POR ISSO,
VALORIZO
MUITO ESTE
SENTIMENTO.
